

# THE RICHMOND DISPATCH-SUNDAY, JULY 16, 1899.

## VAUDEVILLE AGAIN.

THREE BILLS TO BE PRESENTED

THIS WEEK.

ROOF-GARDEN HAS THE BLONDELLES.

"Josh" Daley's Minstrels at the

Auditorium—Monte Myro Troupe

the Headliners at the Main-Street

Park.

Vaudeville in Richmond last week took a vacation, and only the Roof Garden offered an attraction in this popular form of amusement. This week, however, the garden, the Auditorium, and the Main-Street Park will all open doors to the public.

The headliners at the Roof Garden this week are the Blonelles. George Blonelle is one of the most prominent tumblers in the profession, and dainty Little Arnold Blonelles will no doubt make herself popular with everybody. The act of the Blonelles was put together for the sole purpose of making people laugh, and now, for the first time in the South, the clever artists will present their mirth-provoking business.

Harry C. Stanley, with his squeaking clarionette, assisted by Dore Wilson, has a prominent place on the bill. Mr. Stanley and Miss Wilson are both well known here. They will present their sketch "After the Ball," in which Mr. Stanley shows his ability as a character actor in the impersonation of a "tough" and the meek, hungry, music teacher.

Dorothy Drew will be more than welcome to the patrons of vaudeville. Miss Drew is one of the most popular comedians who visit Richmond. She has a number of new songs, which she will render during her engagement here.

An act new to Richmond will be presented by the Jersey Eddy Trio, composed of popular Jerry Eddy and the Kaufman Twins. Miss Eddy is well known in the profession, and the twins are very funny little comedians. They will do new-style comedy dances.

The Tobin Lottie and Fitz Roy, have a musical act that is said to be original. Both are excellent performers.

Minstrels seem to be popular with Manager Leath, and this week, for the third time during the summer season, the stage at the Auditorium will be occupied by burnt-cork artists.

The "Josh" Daley minstrels will be the bill at this resort. The organization is composed of the following artists: Tuxedo Quartette, said to be as "good as the best"; the Nugent Brothers, champion lark and wing dancers; Charles Prince, monologuist and parodist; "Josh" Daley, monologue comedian and musical artist; Ridling, Craig, and McDonald, premier musical comedians; and H. J. Durkin, valet, who, among other selections, will sing "The Girl I Loved in Sunny Tennessee," and "Mid the Green Fields of Virginia."

The first part, except in point of numbers, is said to equal that of most of the large minstrel organizations. The performance will conclude with a genuine minstrel afterpiece.

The minstrels that occupied the boards at the Auditorium this season were well received, and the same rule will no doubt apply to the bill this week.

The Main-Street Park this week returns again to high-class vaudeville, and its former popular price of admission.

Mr. James J. Armstrong, the representative of the park in New York, has upon his list a coterie of artists whose acts are second to none in the Vaudeville stage, and he promises the management of the resort some of the very best.

At the head of the bill this week stands the comedy aerobatic act of the Monte Myro Troupe, a company of two male and two female gymnasts, who fear comparison with no other similar act.

Joe and Nellie Donet are on the same line with them, and the laughable comedy act they do in a twenty-minute sketch makes the audience merry while they are on.

Boye and Black do a black-face act that is sparkling with rich humor and replete with clever dancing, while pretty Alice Gilmore will sing the latest popular songs.

Weston and Beasley complete the splendid bill, and their clever eccentric comedy sketch is more than likely to make them strong favorites.

**Travellers Did Not Give Badges Last Night.**

The Travellers were hindered last night from having a large meeting by the storm, which occurred in the hour of meeting, and the badges to have been given out will be delivered at the next meeting. They are very handsomely designed, and will be highly appreciated by those who were so fortunate as to win them.

The Philadelphia Post sent greetings and an invitation to Post members to participate in the National Export Exposition to be held in Philadelphia September 14 to November 20th of this year. A number of handsome copies of the prospectus of this exposition are at the rooms for those who desire them. Much business of interest to the Travellers was transacted, and the organization shown to be on a good financial basis.

**Death of Mrs. Susan Lear.**

Mrs. Susan S. Lear died at her home, in Petersburg, yesterday, at the advanced age of 75 years.

Mrs. Lear was a well-known citizen of Petersburg. She died at the home of her son, Rev. W. V. Lear, of Petersburg, and one other child, Rev. John S. Lear, of this city.

Mrs. Lear's maiden name was Miss Wilkinson. She had been a member of the Methodist Church for many years. The funeral will take place from the Market-Street Methodist church, Petersburg, at 4 P.M. to-morrow.

**First Visit of White Men.**

The address of Mr. Robert Lee Taylor, read before the Association for the Preservation of Virginia Antiquities last June, entitled "Some Notes on the First Recorded Visit of White Men to the Site of the Present City of Richmond," is now just been published in pamphlet form.

This pamphlet is a valuable contribution to the historic archives of the State, and it is presented in very attractive form.

**Dewey and the Olympia.**

PORt SAID, July 15.—After a strict quarantine the United States cruiser Olympia sailed to-day for Trieste, where she will have free pratique. After a short stay there she will proceed direct to New York.
